

FOR IMMEDIATE RELEASE

DRESSER WAYNE AND BP ENTER NEW THREE-YEAR FUEL DISPENSER DEAL *Agreement names Dresser Wayne as primary supplier to BP retail locations*

London, UK (8 July, 2009) - Dresser Wayne (www.dresserwayne.com), a global innovator of retail fuel dispensers and technologies, and BP, PLC (www.bp.com), one of the world's largest energy companies, have entered into a three-year agreement. The agreement names Dresser Wayne as the primary supplier of fuel dispensers to BP's retail fuel locations in Europe and North America.

"We are honored to remain BP's primary fuel dispenser supplier. The new agreement builds on a long and successful relationship. BP is known for their innovative and performance-driven approach. These are core ideals within Dresser Wayne, as we strive to continue to deliver industry-leading solutions for the forecourt," said Neil H. Thomas, Dresser Wayne global president.

Alastair Greene, BP European procurement manager, said, "We look forward to continuing our relationship with Dresser Wayne. Their global presence and reputation for quality dispensers and forecourt products, both in traditional and alternative fuels technology, were important in our decision to continue to rely on Dresser Wayne fuel dispensers in our retail stores."

About Dresser, Inc.

Dresser, Inc. is a leader in providing highly engineered infrastructure products for the global energy industry. The company has leading positions in a broad portfolio of products including valves, actuators, meters, switches, regulators, piping products, natural gas-fueled engines, retail fuel dispensers and associated retail point of sale systems and air and gas handling equipment. Leading brand names within the Dresser portfolio include Dresser Wayne® retail fueling systems, Waukesha® natural gas-fired engines, Masoneilan® control valves, Mooney® regulators, Consolidated® pressure relief valves, and Roots® blowers and rotary gas meters. It has manufacturing and customer service facilities located strategically worldwide and a sales presence in more than 100 countries. The company's website can be accessed at www.dresser.com.

About Dresser Wayne

Dresser Wayne, headquartered in Austin, Texas, is one of the largest business units of Dresser, Inc., and is an industry pioneer for the retail fueling industry. Among its innovations, Dresser Wayne was the first to introduce self-service consoles and fuel blending dispensers to service

stations, in-pump card readers and cash acceptors, in-pump radio frequency identification payment systems and dispenser-mounted touch screen payment/communication systems. In addition, Dresser Wayne designs and markets software systems that enable its retail fueling customers to manage the convenience store aspects of their businesses more efficiently, including inventory control, price book management, labor management and site administration. The Dresser Wayne website is www.dresserwayne.com.
